

**WCI SUPPORTS PGA PLAY GOLF AMERICA PROMOTIONS  
KIDS PLAY FREE JUNE THROUGH SEPTEMBER!**

**BONITA SPRINGS, Fla** – From June 1 through September 30, 2010, golfers ages 18 and under can enjoy complimentary rounds at participating WCI golf courses.

“I was raised in a golf family and feel strongly that this is a great way to spend quality time as a group while learning the value of hard work, sportsmanship and competition,” said David Fry, WCI’s President and Chief Executive Officer. “This annual program is WCI’s way of reaching out to the entire family with an opportunity to enjoy time in a park-like setting while sharing the great game of golf.”

This promotion allows one child to play FREE for each paying adult. For the parent who would like to bring two children, it is important to note that the second child would be subject to a \$20 Junior Guest Fee, only two players are allowed per cart and the driver must have a valid driver’s license. For tee times, reservations and more information contact the Golf Staff at any of the WCI golf courses listed below and be sure to identify your interest in the “WCI’s Play Golf America Promotion – Kids Play Free Golf” promotion.
